

EMBASSY OF THE REPUBLIC OF KENYA IN STOCKHOLM

REQUIREMENTS FOR TRAVEL TO KENYA DURING CORONAVIRUS PANDEMIC

The Embassy of the Republic of Kenya in Stockholm wishes to inform members of public as follows:

1. The updated list of countries exempted from quarantine can be accessed on <https://www.kcaa.or.ke/covid-19/quarantine-exempted-states>
2. All arriving passengers on international flights should meet the following criteria:
 - i. All passengers arriving into Kenya through any point of entry must have a certificate of COVID-19 vaccination. Travelers below the age of eighteen (18) years are exempt from this requirement.
 - ii. All passengers coming to Kenya must be in possession of a valid COVID-19 negative PCR test certificate conducted within 72 hours before departure regardless of the route of entry. Children below the age of five (5) years are exempt from this requirement.
 - iii. There will be no paper verification of COVID-19 test results and vaccination certificates upon arrival into Kenya. Airlines should ensure that all travelers have uploaded both documents into global haven before boarding via www.globalhaven.org
 - iv. Operating crew are exempt from COVID-19 test when on a layover between flights. They must adhere to COVID-19 protocols from airport to hotel/residence and back to airport.
 - v. All travelers will be expected to fill the travelers' locator form and submit before travel to <http://bit.ly/covid19moh> and thereafter submit daily health information to "jitenge" platform for 14 consecutive days.
 - vi. All passengers with flu-like symptoms at the point of entry, or those who develop clinical symptoms within 14 days of arrival shall be placed into quarantine and be tested for COVID19 at a government testing facility.
 - vii. Any person who tests positive on antigen RDT at any point of entry will be isolated at a Ministry of Health designated facility or at home for returning

Kenyans and residents for ten (10) days at the traveler's own cost. Further they shall be subjected to a COVID-19 PCR test before discharge.

- viii. Diplomats and Senior government officials will be exempt from quarantine but must be in possession of negative PCR test conducted within 72 hours before travel.
 - ix. Passengers travelling out of Kenya will require a COVID 19 vaccination certificate. In addition, they will be required to abide by the particular travel, health and COVID-19 related requirements of the destination country.
 - x. Pre-departure testing may be considered at the discretion of any of the airlines departing from or terminating in Kenya.
 - xi. All travelers to countries requiring antigen testing hours before travel will be required to undertake pre-travel rapid antigen test at the MOH Port Health facility at the airport and the results uploaded to the Trusted Travel platform.
 - xii. Inbound and transit passenger flights from UAE are suspended.
3. Additional guidelines on travel to Kenya may be found on the "Protocol for air travel operations during the Covid-19 Public Health crisis" published by the Ministry of Transport, Infrastructure, Housing, Urban Development and Public Works. The protocol can be accessed on <https://kenyaembassystockholm.com/wp-content/uploads/2020/07/TRAVEL-OPERATIONS-PROTOCOL.pdf>
4. Travellers are further advised to contact the Ministry of Health of the Republic of Kenya, directly for any exemptions regarding the COVID-19 control measures.

Thank you.
