

## EMBASSY OF THE REPUBLIC OF KENYA IN STOCKHOLM

### REQUIREMENTS FOR TRAVEL TO KENYA DURING CORONAVIRUS PANDEMIC

---

The Embassy of the Republic of Kenya in Stockholm wishes to inform members of public as follows:

1. The updated list of countries exempted from quarantine can be accessed on <https://www.kcaa.or.ke/covid-19/quarantine-exempted-states>
2. All travellers arriving into Kenya through any point of entry must have a certificate of COVID19 vaccination. The following categories of travellers are exempt from the requirement:
  - Travelers below the age of eighteen (18) years.
  - Travelers with medical conditions precluding vaccination. Such persons shall be required to provide a letter from a recognized medical practitioner detailing the medical reason precluding vaccination.
  - Travelers who have recovered from an active COVID-19 infection or received convalescent plasma in the preceding 90 days. Such persons shall be required to provide a letter from a recognized medical practitioner showing that the person may have recovered from an active infection in the preceding 90 days.
  - Returning unvaccinated Kenyans who have difficulty accessing vaccines in their current country of residence. Such persons must be prepared to be vaccinated immediately upon arrival and must register for vaccination on Chanjo-Ke platform before departure. Proof of registration shall be required before entry into the country.
3. All travellers coming to Kenya who are fully vaccinated shall be exempt from the requirement of a PCR test.
4. All eligible unvaccinated travellers arriving at any port of entry into Kenya, must be in possession of a valid COVID-19 negative PCR test certificate conducted within 72 hours before departure regardless of the route of entry. Children below the age of five (5) years are exempt from this requirement.
5. Unvaccinated travellers arriving at any point of entry shall be subjected to rapid antigen test at their own cost of 30 USD .Any person who test positive on antigen RDT will be subjected to PCR test at their own further cost of 50 USD and self-isolate. Travelers below the age of five (5) years are exempt from this testing requirement.

6. There will be no paper verification of COVID-19 test results and vaccination certificates upon arrival into Kenya. Airlines should ensure that all travellers have uploaded both documents into global haven before boarding via [www.globalhaven.org](http://www.globalhaven.org)
7. Operating crew are exempt from COVID-19 test when on a layover between flights. They must adhere to COVID-19 protocols from airport to hotel/residence and back to airport.
8. All travellers will be expected to fill the travellers' locator form on the "jitenge" platform [https://ears.health.go.ke/follow\\_up\\_registration/](https://ears.health.go.ke/follow_up_registration/)
9. Passengers travelling out of Kenya will be required to abide by the particular travel, health and COVID-19 related requirements of the destination country.
10. Pre-departure testing may be considered at the discretion of any of the airlines departing from or terminating in Kenya.
11. All travellers to countries requiring antigen testing hours before travel will be required to undertake pre-travel rapid antigen test at the MOH Port Health facility at the airport and the results uploaded to the Trusted Travel platform.
12. Additional guidelines on travel to Kenya may be found on the "Protocol for air travel operations during the Covid-19 Public Health crisis" published by the Ministry of Transport, Infrastructure, Housing, Urban Development and Public Works. The protocol can be accessed on <https://kenyaembassystockholm.com/wp-content/uploads/2020/07/TRAVEL-OPERATIONS-PROTOCOL.pdf>
13. Travellers are further advised to contact the Ministry of Health of the Republic of Kenya, directly for any exemptions regarding the COVID-19 control measures.

Thank you.
