

REQUEST FOR INFORMATION ON KENYAN DIASPORA-OWNED RECRUITMENT AGENCIES IN THE NORDICS & BALTICS

The State Department for Diaspora Affairs, under Executive Order No. 2 of 2023, is mandated to support Kenyans in the diaspora in accessing employment and enterprise development opportunities. As part of its strategic objectives, the Department is compiling a database of Kenyan-owned recruitment agencies based abroad that facilitate job placements and connect Kenyan talent to opportunities overseas.

The Embassy of the Republic of Kenya in Stockholm, therefore, invites Kenyan diaspora-owned recruitment agencies operating in the Nordics & Baltics to submit their details for profiling and inclusion in this database.

This initiative is being undertaken by the Diaspora Placement Agency (DPA), a Semi-Autonomous Government Agency (SAGA) under the State Department for Diaspora Affairs. The DPA works to promote ethical, safe, and orderly labour migration, and is seeking partnerships with recruitment agencies to better align Kenyan skills with international job markets.

Interested agencies are requested to submit the following details:

- Name of the recruitment agency
- Ownership profile (confirming Kenyan ownership)
- Country and city of operation
- Contact information (email, phone number, website if available)
- Nature of services provided (including destination countries and industries served)
- Previous experience in linking Kenyan workers to international opportunities
- Any relevant licenses, accreditations or affiliations

Submissions should be sent to:
