

EMBASSY OF THE REPUBLIC OF KENYA

CALL FOR EXPERT ELECTRIC GATE INSTALLATION SERVICE PROVIDERS

The Embassy of the Republic of Kenya in Stockholm is seeking qualified and experienced companies to undertake **installation, upgrading and related works for an electric gate system** at the Chancery/Residence.

Company Criteria

Service providers should:

- Be duly registered and incorporated in Sweden with the relevant regulatory authority or commission;
- Have proven experience in electric gate installation, including automation, access control and safety features (experience working with Embassies or similar institutions is an added advantage);
- Be able to issue an invoice to the Embassy upon completion of works.

Required Expertise

Bidders should demonstrate competence in:

- Design, supply and installation of electric/automatic gate systems;
- Integration of gate system with existing **security and access control systems**;
- Electrical works required for safe and compliant installation;
- Testing, commissioning and user training;
- Provision of maintenance and repair services (service agreement/after-sales support).

Submission Requirements

Interested service providers should submit their bids together with a written attestation that they meet the above criteria and must include copies of the following documents:

- Certificate of Registration;
- Physical address and contact details (including contact person, phone number and email);
- Brief company profile and relevant reference projects (preferably in Sweden).

Bids should be submitted to info@kenyaembassy.se & procurement@kenyaembassy.se
